

UCIENCIA.18

III International Scientific Conference

University of Informatics Sciences

The University of Informatics Sciences (UCI) has the pleasure to invite researchers, academics and software developers in the field of informatics, computer science and its applications, to participate in the III International Scientific Conference UCIENCIA, to be held from September 24 to 26, 2018 in Havana, Cuba.

OBJECTIVES

To provide opportunities for the exchange of experiences, reflections and results of technical and scientific activity; R + D + i and education in the field of informatics and computer sciences.
To display the results of researches developed in these fields.
To promote cooperation between national and foreign institutions.

WORKSHOPS

- VIII International Workshop on Free Software.
Coordinator: Delly L. González Hernández
- VI International Workshop on Artificial Intelligence and Pattern Recognition.
Coordinator: Yanio Hernández Heredia
- III International Workshop on the Impact of ICT on Society.
Coordinator: Pedro L. Basulto Ramírez
- VIII Ibero-American Congress on Project Engineering.
Coordinator: Pedro Y. Piñero Pérez
- III International Workshop on Computational Mathematics.
Coordinator: Jorge Gulín González
- III International Workshop on Software Engineering and Quality.
Coordinator: Yaimí Trujillo Casañola
- III Symposium on Computer Science Teaching.
Coordinator: Rosa A. González Noguera
- II International Workshop on Extra Curricular University Activities.
Coordinator: Armando Pérez Fuentes
- I International Workshop on Cybersecurity.
Coordinator: Raydel Montesino Perurena

NORMS FOR THE PRESENTATION AND PUBLICATION OF SUBMITTED PAPERS

The template, both in Word and Latex, can be downloaded at <https://uciencia.uci.cu>. On that website, papers can also be uploaded by accessing the "Submit paper" button.
Paper review will be carried out using double blind peer review and its acceptance will be subject to the evaluation of the Scientific Committee in each thematic workshop.
The proceedings of the conference will be indexed in DOAJ, except for those of the Artificial Intelligence and Patterns Recognition workshop, that will be indexed in SPRINGER.
A selection of the papers will be chosen for publication in the Cuban Journal of Information Technology Science (RCCI), <https://rcci.uci.cu>, indexed in SciELO.

LANGUAGES

- Spanish and English.

IMPORTANT DATES

- Jun 10th, 2018- Paper submission.
- July 5th, 2018- Notification of Acceptance by the Scientific Committee.
- September 24th to 26th, 2018- Conference.

REGISTRATION FEE

National participants: 200 CUP. It includes accommodation and meals during the days of the Conference; certificate of participation; accreditation module; publication in the Conference proceedings; welcome cocktail and farewell dinner.

Foreign participants: 200 CUC (170.00 EUR). It includes certificate of participation; accreditation module; publication in the Conference proceedings; lunch during the days of the Conference; welcome cocktail and farewell dinner.

PAYMENT METHODS

National participants: check or cash at the time of accreditation.
Foreign participants: transfer in EUR or cash in CUC at the time of accreditation.
Account information for the transfer:
Account number: 0531940031790120
Account holder: Universidad de las Ciencias Informáticas.

ACCOMMODATION

Accommodation for foreign participants is offered in the Postgraduate Residence at the University. The package includes breakfast and dinner.
•27 CUC per night: double room (shared by 2 people).
•30 CUC per night: single room.

MODALITIES FOR PARTICIPATION

- Invited participant
- Paper presenter
- Attendee
- Companion

All modalities for participation, except for invited participants and accompanying persons under 12 years of age, must pay the registration fee.

ORGANIZING COMMITTEE

President: Miriam Nicado García
Vice-President: Raydel Montesino Perurena

Members:

Natalia Martínez Sánchez
Reynaldo Rosado Roselló
Denys Buedo Hidalgo
Yadian Guillermo Pérez Betancourt
José Manuel de León Cano
Rigoberto David García Mauri
Alexander Dicson Reyes
Omar Correa Madrigal
Abel Díaz Berenguer
Rafael Luis Torralbas Espeleta
Alicia Reina Senra Mugica

Executive Secretaries:

Beatriz Aragón Fernández
Nadiela Milan Cristo

CONTACTS

Executive Secretary UCIENCIA 2018
